RECORDS CONTINUE TO FALL

EXTRAORDINARILY FAST TIME RECORDED AT FORT ERIE TRACK.

Trap Rock Equals American Record for Mile and Sixteenth and Watervale Reduces Canadian Record for Mile and an Eighth.

Buffalo, N. Y., July 5.—August Belmont's great three-year-old. Watervale, showed a splendid performance at Fort Erie this afternoon when he won the mile and an eighth handicap in 1:50\(\frac{2}{3}\), which marked a new Canadian record for the distance. The time was within two-fifths of a second of Vox Populi's American record made at Santa Anita in 1908. Watervale carried 112 pounds, made all of his own pace and won pulled up, with E. Dugan looking back throughout the final furlong. The fractional time for the race was 23\(\frac{2}{3}\), 47, 1:11\(\frac{1}{3}\), 1:50\(\frac{2}{6}\). The Belmont colors were conspicuously successful during the afternoon. Tipsand carried the famous maroon, scarlet sleeves and black cap to victory in the opening dash and Trap Rock proved an easy winner in the fifth race, which was at one mile and a sixteenth. Like Watervale, Trap Rock ran his mile in 1:37 and incidentally he equaled the American record of 1:43\(\frac{2}{3}\) for the mile and a sixteenth held by Gretna Green.

Elma, the winner of the second race, was also Nursery-bred, being by Hastings—St. Eudora. Elma was the first 100 to 1 shot to win on the Canadian circuit for a long while. She led the field most of the way and beat the Hildreth entry, Mad River, half a length in a driving finish.

The race that called for Canadian-owned horses went to the imported coit, Galatine, which beat Chief Kee a length. Four of the afternoon's winners were favorites and two of them, Watervale and Galatine, were held at odds-on.

Amos Turney was operated on for appendicitis yesterday and is doing well. His daughter arrived from Kentucky yesterday and is with her father at a local hospital.

Frank M. Bray arrived from New York this morning with a two-year-old malden filly.

Jockey Archibald had not sufficiently recovered from his yesterday's attack of seasickness to ride this afternoon and was forced to cancel his engagements.

MORE RACING PROVIDED FOR CHICAGO.

More racing provided for chicago.

The two days of racing at Hawthorne for the henefit of the Letter Carriers Union, gave such overwhelming testimony to the undiminished local appetite for the great sport that the turfmen, who had brought their horses here from Latonia, petitioned the owners of the track for a repetition of the experiment. This Mr. Carey has granted to the extent that it is announced there will be a card of six races at Hawthorne next Saturday and six the following Monday, with no public betting allowed. Chicago is a natural turf center, but has been deprived of racing for a number of years without any very good reason. Racing horses for money prizes offered by an individual or an association of individuals is as lawful as selling salt. But betting on racing, or anything else, is not flawful. It was because of the declared purpose of State's Attorney Healey to prosecute track offenders against the laws penalizing betting that the sport was hastily abandoned here in 1904. All the time the laws of this state bearing on the matter have been without change, the same under which racing was conducted over our local tracks from that date back to 1892. Looking over the situation in all its aspects, it seems that racing without recognized betting might brashed the recognized of the situation in all its aspects, it seems that racing without recognized betting might brash that shall be carried on here as not. But one thing is certain and that is that suck racing must be without the revenue formerly derived from an open betting ring. That is an institution that belongs to the past. Racing for racing's sake and not for betting is what can be established here profitably and what should be. With good horses running, the people will come out to see them in action. Any local effort should be in the way of securing recognized good horses and providing good racing conditions, looking to the "gate" alone for reimbursement, totally ignoring the matter of betting except to the extent of preventing any outbreak of pu

NOTES OF THE TURE.

Harry Payne Whitney's Hardyburg ran second in the Bolsever Handicap at Nottingham in England Monday.

F. W. Doss claimed Myles O'Connell from H. G. Bedwell for \$1,000 out of a selling race at Lagoon recently.

August Belmont's Toggery won the Clumber Maiden Plate of 106 sovereigns, for two-year-olds, five-eighths of a mile, at Nottingham in England Tuesday.

The new track of the Couer d'Alene Fair and Racing Association, near Spokane, will have a six-inch dressing of fine loam on top of four inches of clay and sand and superintendent Finn believes it will be an extremely fast course.

One of the leading politicians in New Jersey has been quoted as saying that racing will be revived in that state and that when the proper time comes a bill permitting individual speculation, not bookmaking, will be introduced at Trenton.—New York Sun.

FRIENDS OF RACING ARE ACTIVE.

New York, July 5.—Racing men have circulated a petition in this city favoring the Gittins bills at Albany and have secured the signatures of thousands of persons. The petition will be forwarded to Governor Dix. Within the past week 10,000 letters have been malled to the governor asking him to favor this legislation. These methods were employed to offset the letters and postal cards mailed at the instance of a professional reform organization.

ANSWERS TO QUERIES.

Ford, Los Angeles, Cal. It is expected that racing will take place as usual at Juarez next winter. If the bill passes it will be private betting exclusively. J. L. H., Hot Springs, Ark. It was a losing wager. H. P., Hamilton, Ont. Backers of New Idea lost.

JUVENILE WINNERS OF THE PRESENT YEAR

The racing of June increased Cesarion's lead in the contest for the juvenile sire honors of 1911. Up to the first of July nine of his get figure among the two-year-old winners of the year. Yankee has displaced Abe Frank from second position, with a record of seven winners. Abe Frank is represented by the same six winners that went to his credit early in the year and some of the half dozen with five to their credit are likely to pass him before the next publication of the list. His progeny retains the distinction of having collectively won more money than the get of any other stallion. The following tabulation embraces all the juvenile winners of the year to and including the racing of June 30, arranged under their respective sires:

M'CAHEY IN GREAT FORM

JAMES FITZSIMMONS' JOCKEY WINS FOUR SUCCESSIVE RACES AT LATONIA.

Bourbon Beau Runs Mile and Seventy Yards in Time That Equals Track Record for Distance in Scoring Over Good Opposition in Handicap.

Cincinnati, O., July 5.—Skillful riding on the part of jockey McCahey featured today's racing. The midget pilot scored four of his mounts consecutively. He began his successes in the opener astride Belle Hampton, an extreme outsider, and wound up with Bourbon Beau in the handicap, which was fourth on the card. In each instance he was forced to exercise his greatest skill to get the verdict. He might have won another purse with John Furloug in the closing race but for frequent and costyniterference to which that horse was subjected. In comparison with yesterday's big attendance today's patronage was light, but it was an enthusiastic crowd that went out to the Milldale track. Big fields, except in the handicap, made up today's program and puzzled the speculators. Favorites fared none too well, Delaney and Bourbon Beau being the only pronounced choices to win. Most of the contests were interesting, with plenty of action throughout.

none too well, Delaney and Bourbon Beau being the only pronounced choices to win. Most of the contests were interesting, with plenty of action throughout.

In the feature race Bourbon Beau ran a mile and seventy yards in 1:42%, which equaled the track record and was within one-fifth of a second of the American record for the distance, made yesterday at Fort Erie by Plate Glass. Had he been urged at the end he unquestionably could have made a new record for the distance.

The unwieldy fields and inevitable crowding that came as an outcome of the numerous starters in each race brought several unexpected results, among which were Belie Hampton's victory in the opener and High Range's in the sixth. Syringa was by far the best in the opener, but was beaten by a close margin as a result of being pulled up soon after the start. Superior riding on McCabey's part accounted for The Reach's victory in the second race, for which Kaiser was the favorite. Delaney seemingly was best in the third, but had to be shaken up to stall off Ben Double. The diminutive J. Allen was lucky to gain the victory in the fifth race with Beach. Sand, as he contributed to a bad jam at a critical period in the stretch drive, but the claim of foul lodged by T. Koerner on Naughty Lad was not allowed. John Furlong was much the best in the closing race, won by High Range, but met with much interference and brought up in fourth place. General Manager Hachmeister is arranging for a sweepstakes, having for its object the bringing together of The Manager and Worth. The conditions of the race call for an entrance fee of \$500, with \$1,000 added by the association. The distance is to be five and a half furlongs, with the further stipulation that The Manager and Worth start and that good weather and track conditions prevail. It is expected that in addition to The Manager and Worth start and that good weather and track conditions prevail. W. H. Karrick will ship all the horses in his charge to Saratoga at the conclusion of the meeting here. He does not speak hopefully of the eastern racing outlook, but thinks that a short session of racing will be conducted at the Spa this season.

next week.
Capt. J. T. Williams announced today that Governor Gray would at the close of the local meeting be sent to Lexington to rest until the fall racing begins on the Kentucky tracks. Governor Gray will be nominated for the four-mile Endurance Stakes to be run the coming fall.

Presiding Judge Price was notified today by Judge Martin Nathanson of the Salt Lake track that the contract troubles of jockey Rooney had been adjusted and that rider is now at liberty to engage mounts. The boy will enter the employ of Henderson & Hogan.

justed and that rider is now at Hoerly to cogate mounts. The boy will enter the employ of Henderson & Hogan.

Jockey Taplin refrained from riding today because of his injuries.

H. P. Headley of Lexington was a first-time visitor at the track this season.

There are now eighty-two horses on the preferred list of eligibles for starting.

T. C. McDowell's crack two-year-old colt, The Manager, figured in a sensational bit of work this morning when, with a boy weighing 115 pounds in the saddle, he went as follows: Quarter in 23th three-eighths in 3th, half mile in 47th, five-eighths in 1:00th, three-quarters in 1:13th. This is the best work of the season to the credit of a two-year-old, and was part of The Manager's preparation for his Cincinnati Trophy engagement next Saturday. Other notable work-outs this morning included the following:
